Attention: Chair Bill Nauss and Clerk-Treasurer Dennis Egyedy

Dear Bill, Dennis, and Fellow Commissioners,

I have decided to offer for the vacant District 3 position on Chester Municipal Council. According to Section 18(1)(ba) of the NS Municipal Elections Act, a Village Commissioner is not eligible to be nominated for municipal council. I am therefore resigning my role as a Commissioner for the Village of Chester effective at the adjournment of this meeting.

I have been privileged to serve as a Commissioner for now my third term, and am so grateful to have been entrusted by the electors of the Village of Chester to represent their best interests. If I am elected to Council to represent District 3, I pledge to continue my work to effectively represent the electors, and to work collaboratively with Municipal Council and the Village Commission for the best interests of all.

I encourage people who care about the future of the Village to step up and put their name on the ballot to serve as a Commissioner. Those considering doing so need to know that you can make a difference. Be bold: There's so much that can be done!

Best wishes to all,

Jo-Ann
